From the Commr. of Police, C & M Station, Bangalore,

No.1077/G, dated the 24th Jan. 1930

(1) It is for consideration whether a bye-law of the kind suggested may be framed for the C & M Station under section 21 of the Bangalore Police Law. ~~as suggested~~. It would appear from the Commr's letter that the bye-law (vide enclosure to the p,u.c made by the Govt. of Madras applies only to Madras City - not to anymufassal town--as it is issued under the "Madras City Police Act". The conditions of traffic in Madras City are undoubtedly far different from those in the C & M Station. (There is no rule of the kind in force in Bangalore City).

If the proposal may be approved, a bye-law more or less for the C & M Station may be drafted/on the model of the Madras rule, the language of which seems capable of improvement.

(5) A bye-law is required - but the present form is incorrect: it does not cover the case of people using the roads on their lawful occasions. It wants re-drafting.

Through The District Magistrate

SIR,

I have the honour to state that the Police find considerable difficulty in dealing with pedestrians who walk in the middle of streets and obstruct traffic. A bye-law has lately been made by the Government of Madras under the Madras City Police Act, a copy of which is enclosed I request that the Hon'ble the Resident may be pleased to make a similar bye-law, under Section 21 of the Bangalore Police Law. The proposed bye-law would be consistent with Section 25 of the Bangalore Police Law. The penalty for a breach of the bye law in Madras is a fine not exceeding ten rupees and a similar penalty may be ordered here.

I have the honour to be,
Sir,
Your most obedient servant,

E. H. Sullivan
COMMISSIONER OF POLICE.
